## Session Descriptions

### Sports

Develop fundamental skills through active learning, teamwork and sportsmanship. Each week will focus on a different sport or skill, like soccer, kickball, basketball and relay races.

### Mad Science

Come be a Jr. Scientist where you will experience traveling slime, learn about polymers and use a vortex Generator and more!

### First Stage: Imagination Improvisation

Life skills through stage skills! Join First Stage in this creative drama program where you'll imagine, enact and reflect upon improvised situations.

### Chess—Check Mate!

Delve into the fascinating world of chess! Learn the basics or study the moves of the masters during these exciting sessions.

### Kickin' Karate

Develop strength, flexibility, coordination, timing and control, with over-all health and wellness. Learn beginning self-defense techniques, kicks, hand attacks, and more!

### Art Adventures

Unleash your creativity and improve your artistic skills as you paint, draw, and sculpt your way through this session of mixed-media fun!

### Nature with Schlitz Audubon

Become a naturalist and discover the different kinds of creatures that live in Wisconsin. We'll play games, touch nature artifacts, and meet live animals!

### Zumba® Kids

Come dance and move to music and rhythms from here and around the world! Play games and movement activities too! Join in on this great way to make fitness FUN!

### Legos: Future Architects

Build cities, bridges, towers, animals and more with Legos™ and K'nex™.

### Art Blast!

Have a blast making colorful creations using collage, pastels, paints and more. One-of-a-kind projects and activities make this class fun and engaging for all ages.

For additional information or questions, please contact the Recreation Department at 414-773-2900 or visit [www.tosarec.com](http://www.tosarec.com). To register, visit our website, or mail, fax, or drop off the registration form (see reverse side) to 12011 W North Avenue, Wauwatosa, WI 53226. Fax (414)773-2920.
