Go Raiders!!

The 2023 girls lacrosse season will be here before we know it and our wonderful coaching staff wants to ensure we're all pumped up and ready to go!

There will be a parent/student informational meeting today in the Tosa East learning center. We'll be talking about an overview of the season and what to expect as far as your spring schedule and practice goes. We'll also talk about volunteer opportunities, fundraising ideas, and other ways we can support the team. Students and their parents are both encouraged to attend.

Looking forward to seeing you all and kicking off another great season of lacrosse!

If you are a senior student athlete and have confirmed your college recruitment to continue playing sports, please stop by to see Athletic Director Ms. Guyant-Holloway by Nov. 3rd. There is a signing date approaching, Nov. 9th, to announce your commitment. If you haven't decided yet, don't worry, there will be other dates throughout the school year.
