### **Athletics**

If you are a student athlete and interested to learn more about the opportunity to play college athletics, you'll want to attend this meeting with your parents. On Wednesday, Nov. 30 at 6:30pm in the library, local college athletic administrators and coaches will be presenting information about 'Recruiting and Admissions 101'. They will discuss information about the NCAA Eligibility Center, college admission requirements and how to be proactive as a potential student athlete recruit. Join the presentation, on Wednesday, Nov. 30 at 6:30pm in the library to learn more.

### **BSU**

The next BSU meeting will be Monday, November 21st, after school in Room 272. See you there!

### **Lost and Found**

Have you recently lost a jacket, sweater, airpods or keys? Come to the main office to see if you can find your lost items before the break starts.

### **Menomonee River Parkway Clean Up**

Would you like to be part of the solution for litter and pollution in Wauwatosa? The Menomonee River Parkway is constantly littered with garbage and it can be a serious problem for the environment and the wildlife along the river. You are invited to join a group of East students at Hoyt Park on December 4, from 1pm to 3 pm for a river cleanup. Trash bags will be provided, as well as extra trash gloves and trash grabbers, but it is recommended that you bring your own supplies if you have them. Dress warm as it will be in December and if there are any questions you may contact sophomores, Lucy Laritson, Keara Torres and Madison Womack through school email.
