Student Services

Update! The ASVAB exam has been rescheduled and will now take place on Thursday Feb. 23rd at 8:00am in room #136. The ASAVB is a career planning and exploration program that combines a multiple-aptitude test with an interest self assessment. A junior or senior can also use their score to enlist in the military after graduation however no one is under any obligation. If you are interested please see Mrs. Taylor in student services as space is limited.

Are you planning to attend a Wisconsin Technical College next fall? Would you like a chance to receive a scholarship value up to \$2,250 per year for 3 years. If YES, please check your email today and fill out the form by February 21st. If you have questions, please stop at the Student Services Department.

Social Studies Department

Attention sophomores and juniors. The social studies department has an amazing opportunity for you to join students from around the world to discuss the environment and environmental issues facing our planet today. Please see your social studies teacher for more information about the World Affairs Seminar taking place June 24th-June 30th. This is a fully paid for opportunity!
