3. Pre-ordering with Heirloom Mke food truck is open, as well as pre-orders for beer and wine. So far, we have 13 families signed up for food and/or beverage delivery. All details and instructions can be found on the Jefferson Elementary Annual Auction Facebook page, in the weekly newsletter, and in email communications coming from the office.
4. We have 51 items posted to the auction website and are expecting another 20 or so to come in over the next couple of weeks. Families will be able to pay via the auction website with credit cards and PayPal OR via Venmo (the only fee-free option).
5. We're doing our best to keep everyone informed and up to date. As we're getting closer to the 27th, word of mouth helps a ton, so we'd love it if you'd chat about the auction with your friends and neighbors and encourage everyone to reach out to a committee member if they have any questions. Thanks to all for their support and generosity!
