Forward Testing

PRINCIPAL'S LETTER

MARCH 2022

Dear Roosevelt Families,

February was a busy month for Roosevelt. Much appreciation goes out to the wonderful PTA and Roosevelt families for providing staff dinners on the evenings of Parent/Teacher conferences, as well as the many volunteers that helped make the Winter Walk to School Day, Sweet Treat Morning and Family Winter Outdoor Ninja Course a great success. Please know how grateful we are. I heard nothing but positive feedback from staff, students and parents.

We are thrilled to be able to once again offer events to build community. Be on the look out for more information inviting you to join the PTA sponsored Family Hike at Hawthorn Glen on Sunday, March 6th.

Roosevelt families always come through! Thank you so much to the volunteers that are helping supervise the playground during recess. If you are interested in filling a slot or two, please see the attached SignUPGenius: <https://www.signupgenius.com/go/20f0c4faca82aa7fd0-recess>. Keep in mind, you must be an approved volunteer through the Wauwatosa School District before you can begin supervising recess. Click on this link to access the volunteer application: <https://www.wauwatosa.k12.wi.us/Page/408>.

A special shout-out to Battle of the Books (BOB) team "Flying Inside the Ice Cream Balloon" for their Roosevelt win. Fourth graders Clara, Sonia and Wylee earned the honor to compete at the state level. Way to go!

On March 9th vision screenings will be provided to all SK and 5th graders, additionally any other students who might have a need for a vision screening are welcome to participate. If you have a concern about your child's ability to see and would like your child screened, please let your child's teacher know.

New student registration for 2022-2023 is underway. To help plan staffing needs, if you will have a JK or SK student, **that does not currently attend Roosevelt**, please complete registration forms online via Infinite Campus to enroll your child. Additional information can be found on the [district website](#).

As part of Wisconsin's required statewide testing program, students in grades 3-5 will participate in the Forward Exam March 28th through April 29th. General information was sent home with students. As with other standardized tests, we appreciate your efforts to help your child do well, including getting a good night's sleep, eating a substantial breakfast, sending a healthy snack and water bottle, arriving to school on time and being at school every day during the testing window. Please also make sure your child has working headphones at school. Please reach out with any questions you may have.

Visual Image Photography (VIP) online yearbook ordering is now open. The cost of the 2021-2022 yearbook is \$11. If you wish to purchase a Roosevelt Elementary Yearbook, follow this link [Roosevelt Elementary Yearbook](#) by the April 1, 2022 deadline.

As you are cleaning closets over the break, please think of us for laundered pants in all sizes your children have outgrown for our health room. Your donations are appreciated.

Your commitment to Roosevelt, as always, is second to none. THANK YOU!

Mark D. Supa, Principal
