Wauwatosa School District Print Calendar Receives NSPRA Recognition

The Wauwatosa School District is proud to have been honored by the National School Public Relations Association ([NSPRA](#)) for its 2015-2016 *Save the Date for Learning* print calendar.

The calendar, a Wauwatosa School District tradition for generations, earned an Honorable Mention in the annual *Publications and Electronic Media Awards*.

Each school year, the calendar is provided to families and community members to assist them in planning for school and district events. It also provides valuable information to the community about the accomplishments, activities and learning opportunities that happen each day in the Wauwatosa School District.

Superintendent Dr. Phil Ertl said, “We enjoy any opportunity to share the message of the many great things happening in our Wauwatosa Schools. It’s particularly gratifying to be recognized for the positive, creative and effective way in which we communicate that message.”

Wauwatosa was one of four Wisconsin school districts recognized by the NSPRA for its communication efforts.
