Teacher Appreciation Week This Week

Our teachers and staff work so hard all year to teach and nurture our children. Each year we use teacher appreciation week to give back to Lincoln's staff to show how much we love and appreciate all that they do for us. We ask that each student write a personal note to their teacher and/or to any staff member. In addition, you all received an email this past week for your specific teacher's wish list. If you feel so inclined, please gift them something off of their list.

Thank you to those who have signed up for this special week. There are just a couple spots to bring for items for the staff next week. <http://www.signupgenius.com/go/5080f4eabae2da7ff2-lincoln>

Bike to School Day, Wednesday, May 10th

One of the reasons we love our neighborhood schools is that we can walk and bike to school! Join us on Wednesday to celebrate Bike to School Day. Beginning at 7:45am, we will provide students with a healthy snack. There will be bike tune-ups on the playground along with a nurse from the Health Department to share information about bike safety. Lastly, we will have raffle prizes for students who enter the raffle!

Please contact Jess Taylor to find out more.

Love Firetrucks?

One of our spectacular auction items at the Lightning Bolt Bash is a ride to school on a Tosa Firetruck! Come and see the arrival of 4th grade student, Gunnar Sgarlata and his friend to Lincoln as they ride in style. Please be at the **Warren Door entrance at 8:00am on Friday, May 12th** to see this special arrival.
